[shows BCH cycle or photo of them on cycles]
2. X Would need brand mention (subtle)
Not "BCH Cycle Hub" but maybe visible in background or subtle logo

3. X Would adjust target slightly younger

Focus on 14-25 age range (BCH's sweet spot)

4. X Would make ending more specific to cycling/friendship

"Friends may be gone, but memories on wheels last forever"

5. X Would include soft CTA to profile

"Tag your riding buddy" vs just generic share
