5 Production-Ready Scripts | February 2026

Available Resources: - Actors: 1 Father + 2 Kids + Syed Bhai - Location: BCH Store - Equipment: iPhone 15 Pro Max

Target: Kids + Parents (Family Drama) **Objection Attacked:** “Is it powerful?” **Product:** Aoki Flex CR **CTA:** 15 FREE Accessories + Call Now

SCRIPT 1: “Bhai vs Bhai” — THE SIBLING POWER WAR

Attribute	Value
Format	Multi-character sibling rivalry comedy
Duration	50–59 seconds
Platform	Instagram Reel
Language	Street Kannada
Hook Type	Family conflict + competition
TG Trigger	Sibling dynamics + speed fascination
Objection Attacked	“Is it powerful enough?” — demonstrated through race

HOOK [0:00–0:03]

TEXT OVERLAY:

"ANNA SAID THAMBI CAN'T BEAT HIM. THAMBI SAID HOLD MY THROTTLE "

VISUAL: Two kids standing face-to-face at BCH store entrance. Older brother (Anna) with arms crossed, smirking. Younger brother (Thambi) looking determined, hand on Aoki Flex CR handlebar.

AUDIO: Epic battle music sting + crowd noise

SETUP [0:03–0:15]

(CUT TO: Father and Syed Bhai watching from the billing counter.)

FATHER: “Syed Bhai... nanna iru makkalu dinaa jagala maadthare... yaardu fast antha...” [Tired dad energy, rubbing forehead]

SYED BHAI: “Aiyyo... normal vishya... makkalu yellaru heege...” [Casual, seen this before]

(CUT TO: Older brother circling the Aoki Flex CR.)

ANNA (older): “Thammu... neenu chicka... neenu light... Aoki mele neenu fast alla. Naanu heavier — naanu faster!” [Confident, flexing slightly]

THAMBI (younger): “Anna... weight matter maadalla... THROTTLE matter maaduthhe!” [Points at throttle, determined]

SYED BHAI: “Oho! Idu interesting aaguthe... nodi settle maadona?” [Standing up, game face on]

STORY ARC [0:15–0:35]

(Syed Bhai sets up a mini race course in BCH parking — start line to end point.)

SYED BHAI: “Rules heli — one Aoki, two rounds. Anna first, then Thammi. Best time wins. Ready?” [Holding phone as timer]

RACE 1 — ANNA: (Older brother gets on Aoki. Hits throttle HARD. Zooms. Reaches end. Confident face.)

SYED BHAI: “Anna time — 12 seconds! Not bad!” [Shows timer to camera]

ANNA: “Haha! Thammu ge impossible!” [Celebrating already]

RACE 2 — THAMBI: (Younger brother gets on. Smaller, lighter. Adjusts seat. Looks focused.)

FATHER: “Maga... careful...” [Worried dad]

(Thambi hits throttle. WHOOOSH. He’s FASTER. Lighter body = quicker acceleration. Reaches end. Stops.)

SYED BHAI: “Thammu time — 10 SECONDS! TWO SECONDS FAST!” [Shocked, showing timer]

(Anna’s face: DESTROYED. Thambi pumping fists.)

CLIMAX + BRAND [0:35–0:50]

ANNA: "HOW?! Naanu heavier! Naanu strong!" *[Confused, gesturing wildly]*

SYED BHAI: "Adhe magic bidu... Aoki Flex CR nalli throttle power SAME iruthhe — but lighter rider means faster acceleration! Physics!" *[Teacher mode, pointing at cycle]*

(*PRODUCT HERO SHOT with text overlays:*)

"Aoki Flex CR"

"25 KMPH – Same Power for ALL Weights"

"Instant Throttle Response"

"Lightest E-Cycle for Kids"

SYED BHAI: "Weight matter maadalla — THROTTLE matter maaduthhe!" *[Repeating Thambi's line, pointing at him]*

COMEDY PAYOFF + CTA [0:50–0:59]

(*Father watching both kids now arguing who gets to ride next.*)

FATHER: "Syed Bhai... iga eradu cycle beku..." *[Resigned dad face]*

SYED BHAI: "Ha ha! Family discount kodthini!" *[Rubbing hands]*

(*Thambi rides past doing a small victory lap. Anna chasing on foot.*)

ANNA: "THAMMUUUU! COMEBACK RACE BEKU!"

THAMBI: "Throttle hathira baa first!" *[Waving goodbye, zooming away]*

HOOK [0:00–0:03]

TEXT OVERLAY:

"THIS E-CYCLE IS 3 YEARS OLD. WATCH WHAT HAPPENS. "

VISUAL: Close-up of a worn, scratched e-cycle. Dusty. Used. Battle-scarred. Camera lingers on scratches, worn tyres.

AUDIO: Suspenseful music... then sudden silence

SETUP [0:03–0:15]

(CUT TO: Father and two kids at BCH store. A third, OLDER kid (or teen staff playing role) stands with his well-used cycle.)

FATHER: “Syed Bhai... nanna concern idu — 1st year fast iruthhe... 2nd year slow aaguthhe... 3rd year dead aaguthhe. E-cycle battery, motor ella finish!”
[Listing fears on fingers]

SYED BHAI: “Sir... normal concern... but REAL proof beku right?” [Understanding nod]

(Points to the older kid with used cycle)

SYED BHAI: “Ee huduga nodi... 3 years inda same Aoki Flex use maadhidane. 8,000 km odiddane. Battery 2 times charge cycle change aagide. Motor? SAME!” [Introducing the proof]

OLDER KID: “Uncle... doubt maadthira? Test maadri!” [Confident, slightly offended]
